

New York's Climate Action Plan: A Conversation

Join your neighbors to learn more, discuss concerns and comments, and make your voice heard.

NYS plans to

- Transition to electric vehicles for 100% of sales by 2030
- Switch to electric heat pumps and electric appliances in buildings
- Increase access to and use of public transport
- Support transitions to green energy and sustainability jobs

April 5 · 6 - 7:30 PM
Utica Public Library,
303 Genesee St, Utica, NY
(or via Zoom)
